

Enroll for Diamond Bank's Mobile Banking directly through the Apple or Android App

First, you must already be signed up for Diamond Bank's Online Banking. Below are the requirements for signing up directly through the app.

- You must have previously logged in to Diamond Bank's Online Banking successfully
- Your Online Banking account must be ACTIVE (accessed within the last 90 days)
- You must not be in the middle of a password reset.

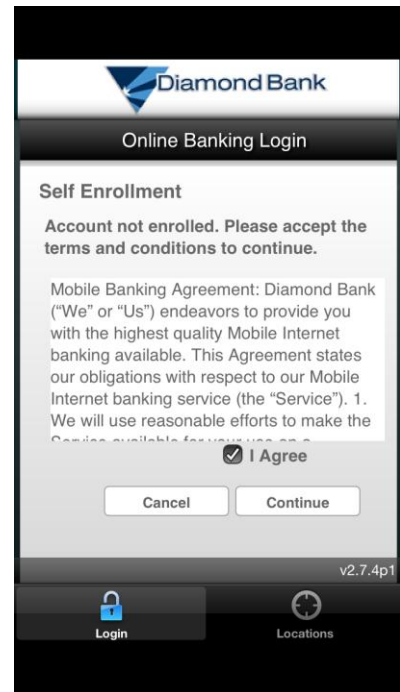

Now you can go download Diamond Bank's Mobile Banking App . The App can be downloaded directly from the Apple App Store or Android Marketplace. Search for "Diamond Bank Mobile Banking" and you will see the App with Diamond Bank's logo.

Step 1: Open the DB Mobile App. Enter Online Banking ID (or nickname) and tap **Submit**. Then enter your Pin/Password and tap **Login**.

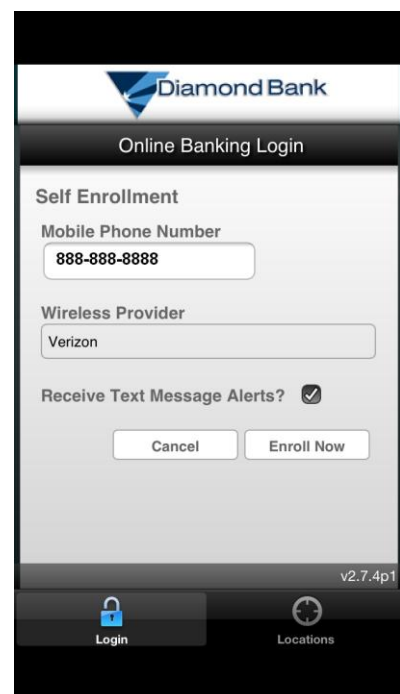

Step 2:

Accept terms and conditions by tapping the checkbox next to **I Agree**. Tap **Continue**.

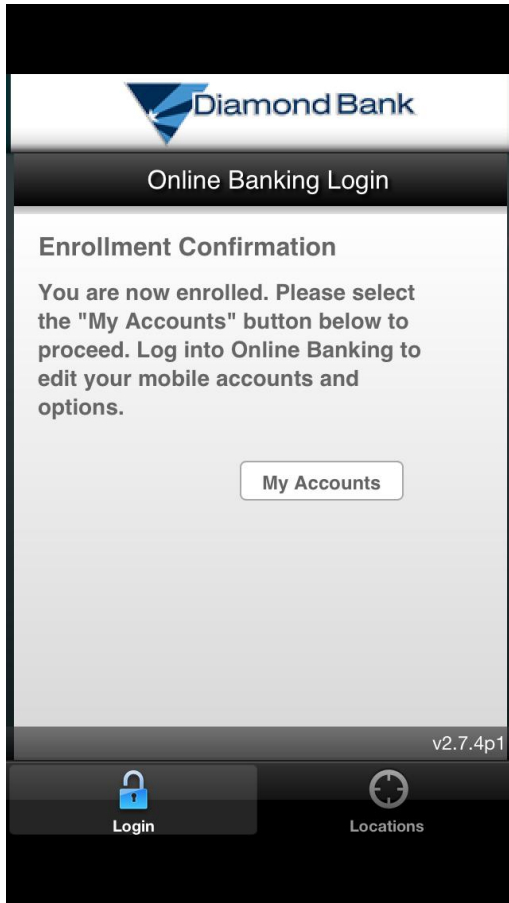

Step 3:

- a) Choose whether to receive transfer and payment confirmations via text message
- b) Enter mobile device number. This does not have to be the same number as the phone being used
- c) Select the wireless provider for the phone number
- d) Tap **Enroll Now** to complete the self-enrollment

Step 4:

You are now enrolled! You will see the enrollment confirmation screen. Tap “My Accounts” to view your available accounts.

NOTE: To make any changes to your Diamond Bank Mobile Banking settings, log in to your traditional Diamond Bank Online Banking account and click **Options > Mobile Settings**.
